29 March 2023

## Bahrain

### **National Bureau for Revenue (NBR) conducts 495 inspection visits in 2023**

The NBR has recently announced that they have successfully conducted 495 inspection visits in the local markets of various governorates during the months of January and February this year. The inspections have led to detection of several violations resulting in imposition of administrative fines under the Bahrain VAT and Excise Tax legislations.

### **Cabinet approves draft state budget for 2023 and 2024**

The Cabinet has approved the 2-year draft state budget which has now been referred to the Parliament. The Parliament and the Shura Council's finance and economic affairs committees will now review the proposed state revenues and expenditures.

### **Highest GDP growth recorded since 2013**

As per the preliminary national accounts data from the Information and eGovernment Authority, Bahrain's real GDP has grown by 4.9% in 2022 compared to 2021. This is the highest ever GDP growth recorded for Bahrain since 2013. The growth has been largely driven by the non-oil sector's contribution to the GDP which has grown by 6.2%, the highest growth rate from the sector in 10 years.

## Kingdom of Saudi Arabia (KSA)

### **Zakat, Tax and Customs Authority (ZATCA) announces third wave of e-invoicing integration**

ZATCA has recently announced the criteria for selection of targeted taxpayers for the third wave of phase 2 (integration phase) of e-invoicing. Taxpayers with annual supplies exceeding SAR 250 million during 2021 or 2022 will be required to integrate their e-invoicing solutions with ZATCA's FATOORA portal from 1 October 2023.
